- Fabric requirements are based on standard fabric cuts. There will be some fabric left over.
- FQ = Fat Quarter, assumed to be 18" x 21"
- F8 = Fat Eight, assumed to be 9" x 21"
- WOF = Width of Fabric, assumed to be 42"
- If you are using directional fabric, a FQ is always required when stated. For solids and non-directional prints, a 1/4 yard cut can be used instead. All cutting instructions and charts given are for fat quarter cuts.
- \* Small Quilt Colour 1 (used for Kettle and French Press Blocks) requires a FQ if using directional fabric.
- **Bolded requirements** - this is the exact yardage required. For more wiggle room, purchase an additional 1/8y.
- Additional instructions are given for using directional prints for Colours 1-5.
- 'Neutrals' are recommended to be solids or blenders.
